The diagram illustrates a dependency relationship. A top box, representing a source file, has two blue arrows pointing downwards to two separate boxes below it, representing target files. The top box contains the text 'install/dt_msgs/share' followed by a line break and '/dt_msgs/msg/WaypointArray.idl'. The bottom-left box contains 'sensor_msgs/msg/NavSatFix.idl' and the bottom-right box contains 'std_msgs/msg/Header.idl'.
