

types::Report

```
graph BT; A[types::CollisionReport] --> B[types::Report];
```

The diagram illustrates a class hierarchy. At the bottom is a gray rectangular box containing the text 'types::CollisionReport'. Above it is a white rectangular box with a black border containing the text 'types::Report'. Two blue arrows originate from the top edge of the 'types::CollisionReport' box and point upwards to the bottom edge of the 'types::Report' box, indicating that 'types::CollisionReport' inherits from 'types::Report'.
