

A diagram showing the structure of Python libraries. It consists of three nested rectangular boxes. The outermost box is light blue with a dashed border and contains the text 'lib' centered at the top. Inside this box is a white box with a solid black border. Inside the white box is a smaller blue box with a solid black border containing the text 'site-packages'. To the right of the 'site-packages' box, still within the white box, is the text 'python3.12'.

lib

site-packages

python3.12
