

`std::false_type`

`detail::is_complete
_type< T, typename >`

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text `std::false_type`. The bottom box is gray with a black border and contains the text `detail::is_complete_type< T, typename >`. Two blue arrows originate from the top edge of the gray box and point upwards to the bottom edge of the white box, indicating a relationship such as inheritance or specialization.
