

types::Report

```
graph BT; CollisionReport[types::CollisionReport] --> Report[types::Report];
```

The diagram illustrates a class hierarchy. At the bottom is a gray box labeled 'types::CollisionReport'. A blue arrow points vertically upwards from this box to a white box with a black border at the top, labeled 'types::Report'. This indicates that 'types::CollisionReport' inherits from or is a specialization of 'types::Report'.
